

# Meteoric Peridot

## Small Faceted Gems

This page was updated **September 8, 2017**

These are smaller gems that are less expensive and have **NOT** been sent in for GIA Certificates in order to keep costs down; any of these gems can be sent in for the GIA cert for an additional fee of \$145. Allow 4 to 6 weeks for certification process/papers and delivery.

⇒ **To ORDER: First**, email us with the item number(s) you are interested in and we will check inventory to insure availability. Email: [stinsons@gemservice.com](mailto:stinsons@gemservice.com) We will put the stone you order on hold until we receive your payment. **The price includes: Stinson's Certificate of Authenticity and Priority Insured shipping free in the USA. Overseas buyers MUST inquire for shipping charges. DO NOT SEND PAYMENT We do not ship to all countries.**

**OUR GUARANTEE:** Every one of our gems are 100% satisfaction guaranteed and may be returned within 7 days for a full refund. Gem(s) must be returned undamaged and in the same condition as when sent.

**NOTE:** *Some* of these gems are heavily included and will be best used for pendant, accent, or collector's stones. Read the descriptions with the listings. A notation of "**specimen**" means it's best kept as a specimen / collectable and not used for jewelry. Contact us for additional questions on any of gems listed. Pictures on request.

## **Cat's – Eye (Chatoyant) CABOCHONS**

**The rarest of the rare:** Most ET crystals have some of the inclusions that easily distinguish meteoric peridot from earthy peridot, but only a very few crystals have enough of the inclusion that are also properly oriented, and that will also cut an exciting chatoyant cat's-eye!

Cabochon Cat's-Eye 2.77 x3.40x2.56(height) weight .23 PEC0314-2 Price \$495
