Poly Arbor 8 inch. The Cadillac of lapidary arbors. Ours have been running since 1975! This arbor was purchased years ago and kept as a back-up and has never been used. \$220 FREE Shipping in the USA.

Two 8 inch disks -- Left and Right. Size and threads match the above Poly arbor. These are new. Never used. Note: the rubber pads hardened and have been replaced. We cover ours with leather and use with cerium or tin oxide to give our cabs that "water wet" supreme polish. \$175 / pair. Free shipping in the USA

Taurus Ring Saw. Used. Includes diamond wire that has light wear. Low hours. Excellent condition. \$195 FREE shipping in the USA.

Ultra Tec Offset Faceting Preformer.

Cost \$350 New. \$185

Free shipping in the USA
