

# *The ultimate gift of time and love*

Extraterrestrial Peridot Gems and Jewelry  
created by our customers.

Beautiful engagement ring featuring a pear shape  
ET peridot. Client in Alberta, Canada

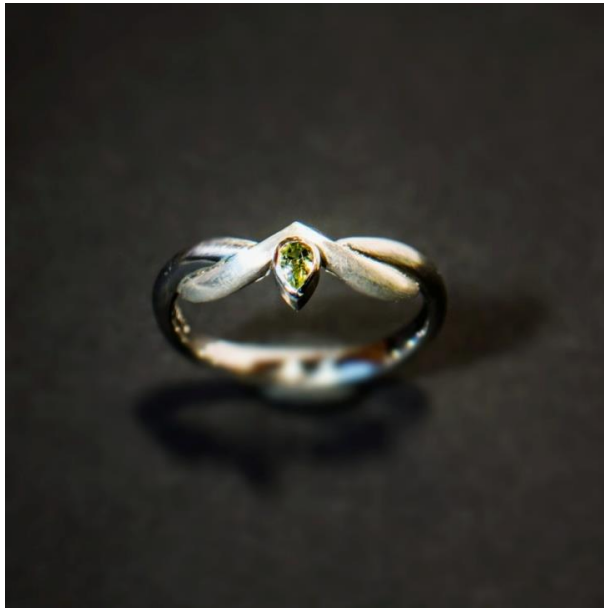

Photo by Ztrix Gems, Sweden

A stunning ET oval cut by Ztrix Gems, Luleå, Sweden,  
shows some of the orange colored needle inclusions,  
which are proof of extraterrestrial origin.

Photo by P, F., Indiana

Engagement ring with two ET peridot round brilliant side stones. A 4 BILLION year old treasure for a very special lady. P.F. Indiana

This outstanding palladium ring incorporates one of our meteoric peridots. It was designed by the customer and made in Germany.

Photo by Megan Jones, Savannah, GA

A unique hand engraved ring with a .44 ct ET peridot.  
“...born at the beginning of time and lasting  
until the end of time...” symbolizes our love  
and marriage. Thank you. DKM, Washington
